Initial Procedure and Requirements

Step   Requirements

1   Format and structure your paper as per the journal guidelines placed here:
         http://edmgr.ovid.com/igc/accounts/ifauth.htm

         https://journals.lww.com/ijgc/Pages/Article-Type-Requirements.aspx

2   Once you are ready, proceed to submission here:
         https://mc.manuscriptcentral.com/ijgcancer

3   Register with the submission website using the corresponding authors email address. To
         register the corresponding author you will need to fill the below details related to the author

         o Prefix*
         o First (Given) Name*
         o Middle Name
         o Last (Family) Name*
         o Degree
         o Primary E-Mail Address*
         o Secondary E-Mail Address (if any)
         o Institution
         o Department
         o Address*
         o Country / Region*
         o State/Province
         o City*
         o Postal Code*
         o Phone
         o Fax

         Once you fill in all the above details, set a username and password for your account.
         Further please answer the below questions
           1) Please keep me up to date with information and special offers about BMJ's products
              and services. BMJ will mainly contact you by email but occasionally by post, telephone,
              or SMS. *
              Ans: Yes/No
           2) Select 1 or more keyword/s from the list provided* (Please check the keywords list
              attached along with the report)

         You will further need to agree with the privacy policy by checking the check box in the end of
         the process.

4   Once you have registered successfully, on the first page, Please click on "Begin submission"

under Author section to start a new submission.
