This book is for university students, with at least a mid-intermediate level of English. The book focuses only on those areas that are either the most commonly found in academic communication and/or cause the most problems. It is thus considerably more accessible than a traditional grammar or style guide. It is designed both for self-study and also as a support for a course on academic communication.

212. Transition-Age Youth Mental Health Care: Bridging the Gap Between Pediatric and Adult Psychiatric Care

Editor/Author: Vivien Chan/Jennifer Derenne

© 2021 Springer International Publishing

eBook ISBN: 9783030621131 (Print ISBN: 9783030621124)

Improved practices in child and adolescent mental healthcare have led to a decreased environment of stigma, which also led to an increased identification and treatment of mental health disorders in children and youth. This has led to a new challenge: transitioning from adolescent care to adult care. Rapid societal change means training programs and literature have not had an opportunity to catch up, which has created a crisis for care, which this book aims to address.

221. Buddhist Psychotherapy: Wisdom from Early Buddhist Teaching

Editor/Author: Hyunsoo Jeon
© 2021 Springer International Publishing
eBook ISBN: 9783030630980 (Print ISBN: 9783030630973)

This book explores how to utilize Buddhism in psychotherapy and how Buddhism itself acts as a form of psychotherapy, using Buddhism practices as a lens for universal truth and wisdom rather than as aspects of a religion. Based on the author's over 30 years of study and practice with early Buddhism and his experiences of Buddhism with his patients, the book outlines a new form of psychotherapy incorporating three Buddhist principles: the properties of the body and mind, the principle of world's movement, and living with wisdom.

223. Christianity and Confucianism: Culture, Faith and Politics

Editor/Author: Christopher Hancock
 © 2021 Bloomsbury Academic
 eBook ISBN: 9780567657688 (Print ISBN: 9780567696991)

This title sets comparative textual analysis against the backcloth of 2000 years of cultural, political, and religious interaction between China and the West. As a generous introduction to biblical Christianity and the Confucian Classics, this book tells a remarkable story of mutual formation and cultural indebtedness. East and West are shown to have shaped the mind, heart, culture, philosophy and politics of the other - and far more, perhaps, than either knows or would want to admit.

Editor/Author: Don Nardo
 © 2025 ReferencePoint Press
 eBook ISBN: 9781678207717 (Print ISBN: 9781678207700)

All of the mythologies of peoples around the globe contain fascinating, and at times frightening, tales of animals and monsters. Stories about dragons are especially numerous, not only in China, but also in Greece, Scandinavia, England, and other parts of the world. Also common are tales about giants, shape-shifters, and flying menaces. This book contains tales about them from the lore of Egypt, China, Greece, northern Europe, Japan, Korea, the United States, and elsewhere.

225. Excavating the Land of Jesus: How Archaeologists Study the People of the Gospels

Editor/Author: James Riley Strange
 © 2023 Wm. B. Eerdmans
 eBook ISBN: 9781467467599 (Print ISBN: 9780802869500)

Contrary to popular belief, archaeology of first-century Roman Galilee is not about illustrating or proving the Gospels, drawing timelines, or hunting treasure. Rather, it is about understanding the lives of people, just like us, who lived in the time of Jesus. This book explains the current methodology for ground surveying, excavating evidence, and interpreting data, an ideal guide for students seeking answers in the dirt of the Holy Land.

Editor/Author: Gary Scott Smith

© 2022 Wm. B. Eerdmans

eBook ISBN: 9781467463003 (Print ISBN: 9780802879424)

This book describes Jackie Robinson's life and faith. The integration of Major League Baseball in 1947 was a triumph, but also a fight. As the first Black major leaguer since the 1880s, he anticipated hostility, and promised that he would "turn the other cheek". He later said that his faith in God had sustained him. He found inspiration in the Bible's teachings on human dignity and social justice, and spoke often to African American congregations about his affinity for Job.

Editor/Author: Joseph Vukov

© 2022 Wm. B. Eerdmans

eBook ISBN: 9781467463256 (Print ISBN: 9780802879615)

This guide advances three models for Christians to utilize when navigating the relationship between science and faith: conflict, independence, and dialogue. It argues that dialogue is the ideal model to follow most, but not necessarily all of the time. Through a philosophical approach grounded in real-world examples, it shows how no single model can be universally adequate, and how Christians must proceed with discernment according to the nature of the matter at hand.

Editor/Author: Andrew J. Brown

© 2022 Wm. B. Eerdmans

eBook ISBN: 9781467467629 (Print ISBN: 9780802874597)

This book discusses how literally we are meant to take the creation week of Genesis 1. Contemporary interpreters invoke great theologians from history to support their view. Covering Philo, Basil, Augustine, Thomas Aquinas, Martin Luther, John Calvin, John Wesley, and more, the author interprets great thinkers' readings of Genesis 1 in their intellectual contexts and assesses how they've been subject to cherry-picking and misappropriation in the modern creation debate.

Editor/Author: Daniel G. Hummel

© 2023 Wm. B. Eerdmans

eBook ISBN: 9781467462204 (Print ISBN: 9780802879226)

This book illuminates how dispensationalism, despite often being dismissed as a fringe end-times theory, shaped Anglo-American evangelicalism and the larger American cultural imagination. Though it consistently faced criticism, dispensationalism held populist, and briefly scholarly, appeal—visible in everything from turn-of-the-century revivalism to apocalyptic bestsellers of the 1970s to current internet conspiracy theories.

Editor/Author: Kate Ott

© 2022 Wm. B. Eerdmans

eBook ISBN: 9781467465366 (Print ISBN: 9780802878465)

Digital innovation has rapidly changed the landscape of sexual experience in the 21st century. Rules-based sexual ethics, subscribed to by many Christians, can't keep up with new developments and are usually ineffective while generating shame. A progressive ethicist steps into this void with an expansive yet nuanced approach that prioritizes honesty and discernment over fear and judgment and considers the possibilities and the potential harm in the use of the internet.
