Editor/Author: Jill Keppeler

© 2024 Rosen Publishing: Rosen Young Adult

eBook ISBN: 9781499469837 (Print ISBN: 9781499469820)

According to the Tenth Amendment of the U.S. Constitution's Bill of Rights, the federal government has only those powers expressly stated in the Constitution. All other powers are given to the states and the people. This title explores the concept of states' rights, defining the term and examining the ways that the federal government and individual states have clashed throughout our nation's history. Primary sources, graphic organizers, and charts support the text.

Editor/Author: Kathleen A. Klatte

© 2024 Rosen Publishing: Rosen Young Adult

eBook ISBN: 9781499469806 (Print ISBN: 9781499469790)

The Eighth Amendment of the U.S. Constitution's Bill of Rights prohibits the use of "cruel and unusual punishment." The interpretation of the phrase, however, was left to the Supreme Court of future years. This title examines the context that inspired the country's founders to include this phrase, as well as court cases that challenged it. Through thought-provoking, age-appropriate content, it engages the reader while emphasizing the effect of the Constitution on daily life.

Editor/Author: Stefano Bonino/Roberta Ricucci

© 2021 Palgrave Macmillan

eBook ISBN: 9783030679255 (Print ISBN: 9783030679248)

This book explores the remaking of the relationship between Islam and Islamism, on the one hand, and security and securitization, on the other hand, by arguing that 9/11 and its aftermath have led to the opening of a new phase in Western and European history and have remade the relationship between Islam and governmental and societal approaches to security. The authors utilize case studies across the Western world to understand this relationship.

52. Prosecuting War Crimes: Seeking Justice for the Victims of War

Editor/Author: John Allen

© 2024 ReferencePoint Press

eBook ISBN: 9781678207397 (Print ISBN: 9781678207380)

As modern warfare has become more hazardous to soldiers and civilians, nations have worked together to create and enforce rules of war. This book explores how treaties such as the Geneva Conventions have set guidelines to protect noncombatants and govern the treatment of military prisoners. The book also looks at how war criminals can be brought to justice, from the Nuremberg Trials to the Balkans tribunals to evidence of war crimes in Russia's invasion of Ukraine.

カナダにおける難民の経験

53. Refugees in Canada: On the Loss of Social and Cultural Capital

Editor/Author: Thomas Ricento

© 2021 Palgrave Macmillan

eBook ISBN: 9783030764531 (Print ISBN: 9783030764524)

The focus of this book is on the experiences of government-sponsored refugees in the early stages of integrating into Canadian society. Combining data gleaned from a longitudinal study of relatively recently arrived refugees in Calgary, Canada, with a close focus on the case of a physician from Colombia and his family, this volume illustrates how the cultural and social capital of refugees is marginalized and, in some cases, erased by the undervaluing of their education, training, credentials, and other knowledge.

54. Reporting Palestine-Israel in British Newspapers: An Analysis of British Newspapers

Editor/Author: Nadia R. Sirhan

© 2021 Palgrave Macmillan

eBook ISBN: 9783030170721 (Print ISBN: 9783030170714)

This book examines the portrayal of the Palestinian-Israeli 'conflict' by looking at the language used in its reporting and how this can, in turn, influence public opinion. The book explores how language use helps frame an event to elicit a particular interpretation from the reader and how this can be manipulated to introduce bias. It analyses how five events in the 'conflict' are reported in five British newspapers: The Daily Mail, The Guardian, The Independent, The Daily Telegraph, and The Times.

57. China's New Urbanization: Inequality and the New Chinese Dream

Editor/Author: Jiabao Sun

© 2021 Bloomsbury Academic

eBook ISBN: 9781838607777 (Print ISBN: 9780755642403)

Recent state-led urbanization initiatives in China have drastically transformed Chinese rural society, closing the urban-rural divide as well as redistributing wealth and altering the flows of social mobility. This book explores who the winners and losers are in this process. It uses two case studies of different modes of state-led rural urbanization, in Tianjin and Zhejiang, to assess the impact on the livelihoods of the villagers, as well as the success of the initiatives.

香港のメディア

58. Hong Kong Media: Interaction Between Media, State and Civil Society

Editor/Author: Chi Kit Chan/Gary Tang/Francis L.F. Lee

© 2022 Palgrave Macmillan

eBook ISBN: 9789811918209 (Print ISBN: 9789811918193)

This book explores the challenges to news professionalism and media autonomy stemming from the state, market pressure, the digitalization of communication, and a polarized civil society in Hong Kong. Journalists have had to reorient news professionalism and media power in the midst of state-society tension, market pressure, and the shifting communication mode driven by digitalization. These are the key questions for Hong Kong media. This dynamic intervention will be of interest to journalists, scholars of civil society, and scholars of Asian politics.

Editor/Author: Benjamin Zawacki

© 2021 Bloomsbury Academic

eBook ISBN: 9780755638147 (Print ISBN: 9781350363878)

This modern history tells the story of Thailand's changing role in the world order. Once a key ally of the United States after WWII, Thailand's foreign relations in the twenty-first century has demonstrated a striking reversal: China, once a sworn enemy, is becoming a valued ally to the military government. This book provides insight into the inner workings of the Thai elite and their dealings with the US and China.

 © 2021 Palgrave Macmillan
 eBook ISBN: 9789811621376 (Print ISBN: 9789811621369)

This book focuses on historical and current data to examine racism in Australia. Making use of the latest state and federal data sets, it critically synthesizes contemporary research on race relations with a focus on racism and anti-racism initiatives.

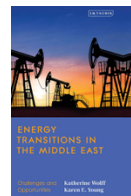

世界を敵に回すロシア

69. Russia's War on Everybody: And What it Means for You

Editor/Author: Keir Giles
 © 2024 Bloomsbury Academic
 eBook ISBN: 9781350255104 (Print ISBN: 9781350452602)

This book explains how and why Russia pushes for more power and influence wherever it can reach, and what it means for both governments and ordinary people. With stories from the military, politics, diplomacy, espionage, cyber power, organized crime and more, it describes how Moscow conducts its campaigns globally, and how Moscow's hostile intentions are far broader and more ambitious, and the ways it tries to achieve them far more pervasive and damaging, than we realize.

中東におけるエネルギー転換

70. Energy Transitions in the Middle East: Challenges and Opportunities

Editor/Author: Katherine Wolff/Karen E. Young
 © 2024 Bloomsbury Academic
 eBook ISBN: 9780755650392 (Print ISBN: 9780755650378)

In this book, energy analysts, geopolitical experts and specialists of political economy examine the new energy potential in the Middle East. It situates the energy transition in the Middle East in a broader context of economic development, financing models, and regulations, and explains how this context interacts with the development of new energy sources.

サウジアラビアのイスラム人権運動

71. Peaceful Jihad: The Islamic Civil Rights Movement in Saudi Arabia

Editor/Author: Peter Enz-Harlass
 © 2023 Bloomsbury Academic
 eBook ISBN: 9780755647170 (Print ISBN: 9780755647200)

This book studies human rights in Saudi Arabia from the perspective of HASM, a prominent Saudi civil rights movement, and the ideas that motivate their activism. It shows that HASM neither supports an overthrow of the government, of which they are accused, nor are they advocates of universal human rights. Their complex thought makes a case for 'peaceful civil jihad' through the protection of citizens' basic rights, but within a rigid, Salafist interpretation of social affairs.

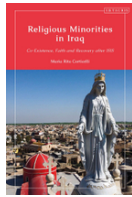

プーチンのシリア戦争

72. Putin's War in Syria: Russian Foreign Policy and the Price of America's Absence

Editor/Author: Anna Borshchevskaya
 © 2022 Bloomsbury Academic
 eBook ISBN: 9780755634651 (Print ISBN: 9781350379770)

This book examines Putin's intervention in Syria in September 2015, and traces the political, diplomatic, military and domestic aspects of the intervention. International critics predicted that Russia would overextend itself and find itself in a quagmire in Syria, but this author argues that Putin achieved significant key domestic and foreign policy objectives without crippling costs and is well-positioned to direct Syria's future to become a leading power in the Middle East.

イラクの宗教的マイノリティ

73. Religious Minorities in Iraq: Co-Existence, Faith and Recovery after ISIS

Editor/Author: Maria Rita Corticelli

© 2022 Bloomsbury Academic

eBook ISBN: 9780755641338 (Print ISBN: 9780755641369)

Religious minorities in Iraq suffered immense violence at the hands of ISIS and are now trying to rebuild their lives. This book tells their stories of resilience against oppression, creativity in the darkest moments, and hope amidst death. Covering the experiences of Christians, Kakais, Yezidis, Sunni Muslims, Shabaks, and others, this in-depth investigation reveals how different communities narrate their beliefs and deal with life and recovery in the aftermath of ISIS.

古代中国小史

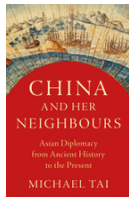

74. A Brief History of Ancient China

Editor/Author: Edward L. Shaughnessy

© 2023 Bloomsbury Academic

eBook ISBN: 9781350170391 (Print ISBN: 9781350170377)

This title adapts a traditional Chinese historical format to present a multi-faceted account of the first two millennia of China's earliest history: from the time of the legendary rulers Yao and Shun (c. 2000 BCE) down to the end of the Qin dynasty (221 -207 BCE). It examines the political shifts of the major dynasties, the histories of local states, innovations in writing, literature, and music, and the lives of key individuals.

中国と隣国: 古代から現代までのアジア外交史

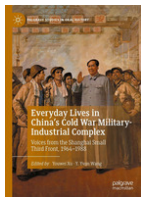

75. China and Her Neighbours: Asian Diplomacy from Ancient History to the Present

Editor/Author: Michael Tai

© 2019 Bloomsbury Academic

eBook ISBN: 9781786997807 (Print ISBN: 9781786997760)

This historical exploration discusses whether China poses a threat to its neighbors, what its end goal is, and other questions through an in-depth exploration of China's past. Spanning thousands of years of Chinese and Asian history, the book looks at China's evolving relations with Japan, Vietnam, the Philippines, and Malaysia. While the disputes in the Pacific are covered elsewhere, few investigations have considered the wider historical context of these tensions.

冷戦期上海の小三線: 人民の声 1964-1988年

76. Everyday Lives in China's Cold War Military-Industrial Complex: Voices from the Shanghai Small Third Front, 1964-1988

Editor/Author: Youwei Xu/Y. Yvon Wang

© 2022 Palgrave Macmillan

eBook ISBN: 9783030996888 (Print ISBN: 9783030996871)

This book translates and contextualizes the recollections of men and women who built, lived, and worked in some of the factory compounds relocated from China's most cosmopolitan city, Shanghai. These accounts, plus the guiding questions, contextual notes, and further readings accompanying them, show how everyday lives fit into the sweeping geopolitical changes in China and the world during the Cold War era.

日本経済思想史

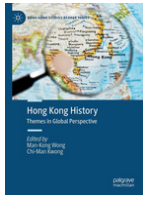

77. A History of Economic Thought in Japan

Editor/Author: Hiroshi Kawaguchi/Sumiyoshi Ishii/Ayuko Tanaka/Tadashi Anno

© 2022 Bloomsbury Academic

eBook ISBN: 9781350150140 (Print ISBN: 9781350198692)

This book provides the first English-language survey of economic thought in modern Japan. It offers both a detailed study of economic thought from 1600 to 1945 and a nuanced analysis of Western and Asian perspectives on the field of Japanese economic history. Expertly translated from Japanese and written by leading scholars in the field, it serves as a case study of how Western economic ideas spread to non-Western regions and interacted with indigenous ideas.

香港史の主要テーマ

78. Hong Kong History: Themes in Global Perspective

Editor/Author: Man-Kong Wong/Chi-Man Kwong

© 2022 Palgrave Macmillan

eBook ISBN: 9789811628061 (Print ISBN: 9789811628054)

This book aims at providing an accessible introduction to and summary of the major themes of Hong Kong history that has been studied in the past decades. Each chapter also suggests a number of key historical figures and works that are essential for the understanding of a particular theme. However, the book is by no means merely a general survey of the recent studies of Hong Kong history; it tries to suggest that the best way to approach Hong Kong history is to put it firmly in its international context.

現代フィリピンの歴史

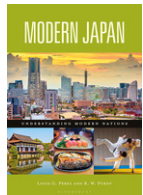

79. The Making of the Modern Philippines: Pieces of a Jigsaw State

Editor/Author: Philip Bowring

© 2024 Bloomsbury Academic

eBook ISBN: 9781350296831 (Print ISBN: 9781350427884)

This book traces the history of the Philippines to define and explain its position in the modern world. It examines the pre-colonial era, its Spanish and American occupations, its economy and culture, and the importance of its location in geopolitics. Engaging with challenges the Filipino people face today such as federalism, revolution, Mindanao, the diaspora, capitalism and relations with China, it rediscovers the struggles, culture and history of its past to understand the present.

テューダー朝イギリスにおける黒人

81. England's Other Countrymen: Black Tudor Society

Editor/Author: Onyeka Nubia

© 2019 Bloomsbury Academic

eBook ISBN: 9781786994226 (Print ISBN: 9781786994202)

This book seeks to reveal not only how black presence in Tudor England was far greater than has previously been recognised, but that Tudor conceptions of race were far more complex than we have been led to believe. It shows that Tudors from many walks of life regularly interacted with people of African descent, both at home and abroad, revealing a genuine pragmatism towards race and acceptance of difference.

ヨーロッパ各国の文化と社会

82. Europe: An Encyclopedia of Culture and Society

Editor/Author: Thomas M. Wilson, Editor

© 2024 ABC-CLIO

eBook ISBN: 9781440855450 (Print ISBN: 9781440855443)

Provides readers with richly detailed entries on the 45 nations that comprise modern Europe. Each country profile looks at elements of contemporary life related to family and work, including popular pastimes, customs, beliefs, and attitudes. It considers many of the transformations connected to globalization, as well as traditions that still hold strong, to provide a complete assessment of the processes that make European societies and cultures distinctive.

ヨーロッパ左翼とユダヤ人問題 1848-1992年

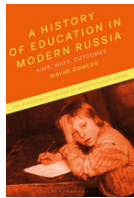

83. The European Left and the Jewish Question, 1848-1992: Between Zionism and Antisemitism

Editor/Author: Alessandra Tarquini

© 2021 Palgrave Macmillan

eBook ISBN: 9783030566623 (Print ISBN: 9783030566616)

This book examines how left-wing political and cultural movements in Western Europe have considered Jews in the last two hundred years. The chapters seek to answer the following question: has there been a specific way in which the Left has considered Jewish minorities? The subject has taken various shapes in the different geographical contexts, influenced by national specificities. In tandem, this volume demonstrates the extent to which left-wing movements share common trends drawn from a collective repertoire of representations and meanings.

現代ロシア教育史

84. A History of Education in Modern Russia: Aims, Ways, Outcomes

Editor/Author: Wayne Dowler

© 2022 Bloomsbury Academic

eBook ISBN: 9781350101333 (Print ISBN: 9781350245204)

This book traces the significance of education in Russia from Peter the Great's reign through to Vladimir Putin and the present day. It provides an assessment of the outcomes and consequences of education policies in the period, both the successes and failures as well as the impact of education on the cultural, social, economic and political environments.

85. Holocaust Atrocities: Nazi Death Camps

Editor/Author: Don Nardo

© 2025 ReferencePoint Press

eBook ISBN: 9781678208011 (Print ISBN: 9781678208004)

The Nazi regime, led by Adolf Hitler, devised a plan to exterminate Europe's Jews. Toward this end, the Nazis rounded up and starved, shot, and gassed millions of Jews as well as others they deemed inferior. These acts took place in a vast network of concentration camps, with the 6 most lethal death camps being in Poland, including Auschwitz. Offering eyewitness testimony, this volume tells the shocking story of the atrocities committed and eventual liberation of the camps.

イタリア・ファシズムのLGBT犠牲者

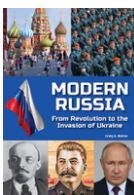

86. Italian Fascism's Forgotten LGBT Victims: Asylums and Internment, 1922 – 1943

Editor/Author: Gabriella Romano

© 2024 Bloomsbury Academic

eBook ISBN: 9781350377103 (Print ISBN: 9781350377080)

This book details the repression of LGBT people through psychiatry during the fascist regime in Italy. It draws together the substantial archival record of patients, doctors and fascist authorities to reconstruct intricate behind-the-scenes dialogue and document how the regime repressed LGBT lives. It focusses on psychiatric hospitals in 3 parts of the country: Rome, Florence and the small Calabrian town of Girifalco, which had different attitudes and therapeutic approaches.

現代ロシア史: 革命からウクライナ侵攻まで

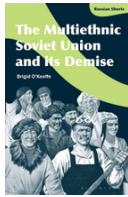

87. Modern Russia: From Revolution to the Invasion of Ukraine

Editor/Author: Craig E. Blohm

© 2024 ReferencePoint Press

eBook ISBN: 9781678205812 (Print ISBN: 9781678205805)

There have been many Russias throughout history: the opulent era of the czars, the Communist nation ruled by terror, and the Cold War superpower. After its Communist ideology failed in 1991, Russia struggled to find a place in the modern world. With the invasion of Ukraine in 2022, Russia has become a key factor in shaping a future of world peace or escalating conflict.

多民族国家ソビエト連邦とその崩壊

88. The Multiethnic Soviet Union and its Demise

Editor/Author: Brigid O'Keeffe

© 2022 Bloomsbury Academic

eBook ISBN: 9781350136809 (Print ISBN: 9781350136779)

This book offers a concise, accessible overview of the evolution of the Soviet Union as a multiethnic empire. It explains how and why the Bolsheviks inscribed ethnic difference into the bedrock of the Soviet Union, and explores how minority peoples experienced the potential advantages and disadvantages of ethnic politics. It also examines how the Soviet collapse in 1991 fractured the Union along markedly national lines, leading to a variety of new nation-states.

ナチによるロマの大量虐殺

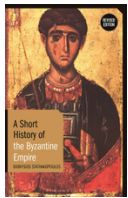

89. The Roma and the Holocaust: The Romani Genocide under Nazism

Editor/Author: Maria Sierra

© 2024 Bloomsbury Academic

eBook ISBN: 9781350333109 (Print ISBN: 9781350333086)

This book places the Roma genocide in the context of the widespread violence of the Second World War, while also examining it within a broader trajectory of anti-Roma persecution in modern societies. The Romani people were subjected to the separation and destruction of families, slave labor, and the horrors of extermination camps. This chronicle recognizes the Romani people as victims of Nazism, and helps to bring about agency for the survivors.

Editor/Author: Dionysios Stathakopoulos

© 2023 Bloomsbury Academic

eBook ISBN: 9781350233423 (Print ISBN: 9781350233416)

Incorporating the latest scholarly developments to offer an in-depth account of the history of the Byzantine Empire, this revised edition sheds new light on the Empire's culture, theology, and economic and socio-political spheres. It expertly analyses how and why it became a powerhouse of literature, art, theology and learning, whilst also examining its aftermath and afterlife – and enduring significance today.

中央アジアにおける第二次世界大戦

91. Central Asia in World War Two: The Impact and Legacy of Fighting for the Soviet Union

Editor/Author: Vicky Davis

© 2023 Bloomsbury Academic

eBook ISBN: 9781350372306 (Print ISBN: 9781350372283)

This book examines how Central Asia, part of the Soviet Union by the 19th century, experienced population displacements during the World War II. It analyses how troops were sent westwards into action, while waves of civilians travelled eastwards into the region: evacuees, refugees and even internal deportees sent into exile from their homelands in other parts of the Soviet Union. It tackles the subject of minorities fighting for the Soviet Union under Stalin in World War II.

93. The Formation of the UAE: State-Building and Arab Nationalism in the Middle East

Editor/Author: Kristi Barnwell

© 2024 Bloomsbury Academic

eBook ISBN: 9781838605292 (Print ISBN: 9781838605278)

This book shows how the Trucial States came to form the United Arab Emirates, a sovereign federation, focusing on the role of nationalism and anti-imperialism. It examines the Emirates' ties to Great Britain, which provided technical, military and administrative assistance to the UAE, while also noting the popular ideologies of anti-imperialism and Arab socialism that were dominating the political discourse in the Arab world.

1979年以降のイラン＝サウジアラビア対抗関係

94. Iranian-Saudi Rivalry since 1979: In the Words of Kings and Clerics

Editor/Author: Talal Mohammad

© 2023 Bloomsbury Academic

eBook ISBN: 9780755634736 (Print ISBN: 9780755634729)

The fraught relationship between Saudi Arabia and Iran is usually attributed to sectarian differences, even by the states' own elites. However, this book shows that in their official speeches, newspaper editorials and Friday sermons, these elites use sectarian and nationalist references and tropes to denigrate each other and promote themselves to their respective constituencies. It examines the rivalry using discourse analysis of religious, political and journalistic sources.

イスラエル人とパレスチナ人: 波乱の歴史

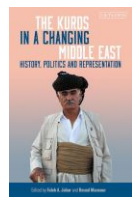

95. Israelis and Palestinians: A Troubled History

Editor/Author: Craig E. Blohm

© 2025 ReferencePoint Press

eBook ISBN: 9781678210151 (Print ISBN: 9781678210144)

The historic Middle East region of Palestine is a troubled land. Two peoples—Israelis and Palestinians—both claim ownership of this land of their ancestors. The result is a long history of violence, oppression, and prejudice that has eluded all efforts to find a peaceful solution. In October 2023, the region exploded in a vicious conflict over territory and the right to live in freedom.

© 2019 Bloomsbury Academic

eBook ISBN: 9781786735492 (Print ISBN: 9780755651054)

This book analyses the major problems, challenges and opportunities currently facing the Kurds. It examines the recent shifts and changes within Kurdish societies and their host countries, and argues that the Kurdish national movement requires institutional and constitutional recognition of pluralism and diversity.

パレスチナ4千年史

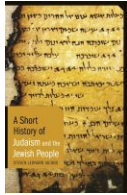

97. Palestine: A Four Thousand Year History

Editor/Author: Nur Masalha

© 2018 Bloomsbury Academic

eBook ISBN: 9781786992741 (Print ISBN: 9780755649426)

This work traces Palestine's millennia-old heritage, uncovering cultures and societies of depth and complexity that stretch back to the beginnings of recorded history. Starting with the earliest references in Egyptian and Assyrian texts, it explores how Palestine and its identity have evolved over thousands of years, from the Bronze Age to the present and shows how its multicultural past has been distorted and mythologized by Biblical lore and the Israel–Palestinian conflict.

101. Kenya: A History Since Independence

Editor/Author: Charles Hornsby

© 2013 Bloomsbury Academic

eBook ISBN: 9780755627974 (Print ISBN: 9781350362246)

This book examines Kenya since its independence from Great Britain in 1963. The decisions and actions of its leaders in the decades since have changed the country's path in unpredictable ways, but key conflicts remain: over land, money, power, economic policy, national autonomy and the distribution of resources between classes and communities. The new constitution promulgated in 2010 provides an opportunity for national renewal, but it must confront a heavy legacy.

102. Negotiating the End of the British Empire in Africa, 1959-1964

Editor/Author: Peter Docking

© 2021 Palgrave Macmillan

eBook ISBN: 9783030880910 (Print ISBN: 9783030880903)

This book examines conferences and commissions held for British colonial territories in East and Central Africa in the early 1960s. During the period 1960-64, a staggering sixteen conferences and ten constitutional commissions were held for British colonies in East and Central Africa. This book is the first of its kind to provide a detailed overview of how the British sought to make use of these events to control and manage the pace of change. The author also demonstrates how commissions and conferences helped shape politics and African popular opinion in the early 1960s.

米英の初期テレビとジェンダー

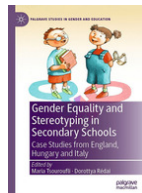

244. Gender and Early Television: Mapping Women's Role in Emerging US and British Media, 1850-1950

Editor/Author: Sarah Arnold

© 2021 Bloomsbury Academic

eBook ISBN: 9781786736161 (Print ISBN: 9781350240070)

This book traces women's relationship to television between the nineteenth- and the mid-twentieth centuries in the U.K. and U.S., and shows how women played a crucial role in its development both as producers and as audiences. However, the increasing professionalization of television resulted in the segregation of roles; production became the sphere of men and consumption the sphere of women, and this binary has largely informed women's role in television.

249. **The Moral Case for Abortion: A Defence of Reproductive Choice, 2nd ed.**

Editor/Author: Ann Furedi

© 2021 Palgrave Macmillan

eBook ISBN: 9783030901899 (Print ISBN: 9783030901882)

This revised and updated edition of the 2016 bestselling work sets out the moral arguments for a woman's right to decide the future of her pregnancy. Drawing on traditions of philosophical and sociological thinking, it presents the case for recognizing autonomy in personal, private decision-making about reproductive intentions. Further, it argues that to prevent a woman making this decision according to her own values is to undermine the essence of her humanity.

Editor/Author: Fabiano S. Gontijo/Barbara M. Arisi/Estevao R. Fernandes

© 2021 Springer International Publishing

eBook ISBN: 9783030591335 (Print ISBN: 9783030591328)

This book defies long standing assumptions about indigenous societies in the Americas and shows that non-heteronormative sexualities were already present among native peoples in different regions of what is now Latin America before the arrival of European colonizers. Presenting data collected from both literature and field research, the authors give examples of native queer traditions in different cultural regions, such as Mesoamerica, the Amazon and the Andes, and analyze how colonization gradually imposed the models of sexuality and family organization considered as normal by the European settlers using methods such as forced labor, physical punishments and forced marriages.

254. **Queer Techné: Bodies, Rhetorics, and Desire in the History of Computing**

Editor/Author: Patricia Fancher

© 2024 National Council of Teachers of English (NCTE)

eBook ISBN: 9780814101759 (Print ISBN: 9780814101735)

The book first analyzes in depth the technical and scientific writing of Alan Turing, who is often credited as an early inventor of computers. Then, recognizing that no inventor works alone, the book places Turing's work in context, first in the network of queer friends who collaborated with Turing and then within a community of women whose labor forms the foundation of computing operations.

257. **Sporty Girls: Gender, Health and Achievement in a Postfeminist Era**

Editor/Author: Sheryl Clark

© 2021 Palgrave Macmillan

eBook ISBN: 9783030672492 (Print ISBN: 9783030672485)

This book engages with the ongoing question of why many girls stop doing sport and physical activity in their teenage years. Previous research has found that many girls' disengagement from sport takes place despite their childhood enjoyment and that frequently these same women take up sport again as adults. This book explores what it is about this period of time that persuades many girls to disengage from sports when their male peers continue to take part; why some girls continue to take part; and most importantly how girls understand this participation.

258. **Uncontrollable Women: Radicals, Reformers and Revolutionaries**

Editor/Author: Nan Sloane

© 2022 Bloomsbury Academic

eBook ISBN: 9781838607142 (Print ISBN: 9781350459786)

This book is a history of radical, reformist, and revolutionary women between the outbreak of the French Revolution in 1789 and the passing of the Great Reform Act in 1832. At a time when women were supposed to leave politics to men, they spoke, wrote, marched, organized, asked questions, challenged power structures, sometimes went to prison and even died. They helped develop modern ideas and freedoms, and some fought battles which still remain to be won.
