CLINICAL CASES

Case Files is an online library of 160+ true-to-life clinical cases organized by specialty, a few are shown below. Faculty can use this resource to assign cases to residents, who can complete the case and answer comprehension questions. Results can then be emailed or saved. **Click a thumbnail below to launch.**

QUICK REFERENCE TOOLS

Readily accessible for clinical decision making and high-yield study and review. **Click one to launch!**

DRUG MONOGRAPHS

Our integrated drug database is an authoritative **database of thousands of drugs** organized by generic and trade names. By clicking on a specific drug, all the names of that drug will appear. Search by **trade names, generics, drug classes, dosing, interactions, patient handouts, and more.**

STUDY TOOLS

6,500+ Review Questions

Prep and self-assessment hub features **6,500+ Q&As** for **Board Review** and **Clerkship**.

Faculty can use these and other resources to identify student strengths and weaknesses.

- **Quizzes** can be generated at **random by the system** or **be customized**.
- **Quiz results** can be **shared via email, saved, or printed**. Results are also saved to the user's Access Profile.

Multimedia Library (600+ videos)

A comprehensive library of exam techniques, pediatrics, wound management and **more...**

EM Clerkship Corner

Content selected with medical students in mind, including Cases, Q&A, textbook recs, and videos.

How to:

EARN CME CREDIT

To earn CME credit, simply look for the **CME ribbon icon** next to content. When you review content marked with this symbol, it becomes eligible for CME credit, and will display in your **Access profile**. To claim your CME credits, fill out a short questionnaire, indicating how you'll apply what you've learned.

ACCESS PROFILE

Click to learn how to create your **FREE Access Profile** in 3 easy steps!

- View content anytime, anywhere via the **app or the web**.
- **Favorite** content and **create collections**, making it easier and quicker to find important and timely resources.
- **Explore content** across all Access sites your institution subscribes to in one place. And **MORE!**
